SUMMARY

Enthusiastic and detail-oriented Computer Science Engineering student with a passion for problem-solving, AI/ML, and cloud technologies. Seeking an entry-level role to contribute to innovative technical projects and grow as a developer in a collaborative team environment.

EDUCATION

B.E. Computer Science Engineering | Prince Shri Venkateshwara Padmavathy Engineering College, Ponmar | 2022 – 2026

- Overall CGPA: 76%

Higher Secondary Education (12th) | Alwin Memorial Senior Secondary School

- Percentage: 70%

Secondary Education (10th) | Alwin Memorial Senior Secondary School

- Percentage: 72%

SKILLS

Programming Languages	Python, MySQL Basic Knowledge in Unreal, Canvas
Languages	Tamil, Telugu, English
Soft Skills	Leadership, Team Collaboration, Coordination, Public Speaking

LEADERSHIP & EXPERIENCE

Vice President | IntelliVerse Club (AI/ML) | 2024 – Present

- Leading initiatives for AI/ML technical learning and peer collaboration.
- Coordinating club activities, workshops, and project development for student members.

Participant | LEAP Program, IIT | 2024 – 2026

- Gained hands-on experience by working on real-world projects through the program.

Participant | Technocruise Workshop, IIT Kanpur | Sept 2023

- Gained practical experience in reverse engineering and system analysis.

PROJECTS

Smart Trash Bin

- Designed and implemented an IoT-based waste management system featuring real-time bin level detection using ultrasonic sensors.
- Engineered an automatic sealing mechanism to enhance hygiene and waste collection efficiency.

Auto Speed Limit Controller

- Developed an automated vehicle speed regulation system to enhance road safety.
- Built a communication bridge between roadside transmitters and vehicle-mounted receivers to dynamically monitor and adjust vehicle speed based on traffic signage signals.

CERTIFICATES

- Introduction to UI/UX | Great Learning | 2026
- Google Cloud Skill Badges | Google Cloud Platform | Nov 2025
(Compute, Cloud Storage, Pub/Sub, API Gateway)
- IELTS Academic, IDP/British Council – Overall Band Score: 6.5 (2023)
